Trainings & consultations

A variety of training topics can also be accessed through remote and online formats.

Full-day & half-day trainings

Content is specially created and modified for your district/SELPA needs.

Helping to ensure PSW fidelity with PSW Monthly

On-demand access to video trainings, mini-courses where your team can earn CEU's, and case study Q&A sessions for beginning and intermediate PSW users. Plus, access to Jenny and her team of experts for office hours.

PSW Leaders

Improve the internal capacity of your psychologists to train new hires. You will receive access to five self-paced modules plus additional access to Jenny every month for training questions and consultation.

Online courses

On-demand and self-paced courses are available on a range of topics to assist school psychologists and other education professionals in expanding their knowledge and learning.

Facilitated online training modules

Online training modules specific to your groups' needs that can be facilitated by someone from the district/SELPA to a large group. Remote consultation is available with the facilitator(s) before and after the use of the online module.

Remote consultation

Jenny also provides consultation directly with individual school psychologists. This can be completed via email, phone, and/or Zoom.
